Received from the sum of..... being.....
Officer..... Office Attached Signature & Date

Notice: This receipt can only be issued in respect of payment made on this application form with the same number and is not binding on the Company unless the payment instrument is promptly honoured upon presentation.
This and future payments should be by Crossed cheque made payable to Cashcraft Assets Management Limited

TERMS AND CONDITIONS

1. Payment at maturity could be in one lump sum or in quoted equity of the same value or by way of monthly lifelong payment of an amount, determined by the value and length of investment, from maturity of investment or from Age 55 whichever is later.
2. The investment is not assignable without our prior written consent. Our applicable terms and conditions must be agreeable to the assignee.
3. The guaranteed sum is payable only when contributions are made as at when due.
4. To ensure ever increasing maturity value for your investment we advise that you increase your contributions as your income improves.
5. To provide periodic advice on the performance of your investment by our financial advisory officers, we require your functional email address and phone numbers. You will also be able to receive transaction notification alerts of any transaction done on your investment account. Kindly visit our website: www.cashcraft.com for more information about us
6. In periodic payment accounts, if payments are in arrears for more than 3 months or cheques/transfer instructions to your bank are returned unpaid 3 times or more within 6 payment cycles your account will be classified.
7. A classified account may be reactivated within 6 months of classification provided the arrears and lost earnings due are paid to be able to earn the agreed maturity value
8. If you choose to discontinue your investment before six years, you would be paid a sum which assumes that the portion credited to the investment account in respect of payments made are as follows:

PERIODIC PAYMENT:

1st year 55%, 2nd year 60%, 3rd year 65%, 4th year 70%, and 5th year 75% 6th year 100%

LUMPSUM PAYMENTS:

1st year 75%, 2nd year 80%, 3rd year 85%, 4th year 90%, 5th year 95% and 6th year 100%.

9. You may borrow money from the company against the balance on your Investment account without any change in the maturity value of your investment on agreed terms.
10. All future payments should be by crossed cheque made payable to Cashcraft Asset Management Limited or by direct electronic transfer to any of our company's designated banks. The company accepts no responsibility for payments not made via cheques or direct debit unless made physically in our office and evidenced by a receipt.
11. For periodic contributions, maturity amounts would depend on the regularity of payments.
12. Upon the death of an investor the benefit of an investment account will be automatically transferred to the named next of kin or beneficiary (where the investor is not the beneficiary) under the same conditions which applied to the original investor.
